Review last Community Action Plan/ KDP Mairi Eddie Update:

“If it’s possible, we could arrange another time for me to come and answer questions on Community Action Plans. I am also involved in the engagement work for the Council Academy Catchment Place Plans, and we will be starting work on the Portlethen plan soon, so it would be good to talk about that at the same time (any community engagement work carried out can be used for both). “

Let me know if there might be another opportunity for me to meet with your group.
